Introduction :

An Industrial visit at Technomac Industries (C-62 Near MIDC Police Station, Shirol MIDC Kolhapur 416122) was organized by Department of Mechanical Engineering on 8th October 2024. The industrial visit was witnessed by total 95 students of second year, third year and final year mechanical engineering students, who were accompanied by the faculty members namely Prof. Praveen S. Atigre & Mr. Mahesh D. Ayarekar.

Aim of the Visit:

An industrial visit is considered as one of the tactical methods of bridging the gap between theoretical and practical knowledge. The main aim of industrial visit is to provide an exposure to the students about practical working environment. Industrial visits also provide students a good opportunity to gain full awareness about industrial practices and new technologies. Through this industrial visit, the efforts are taken by the department to provide an industrial exposure to students to clear the ideas / concepts of various manufacturing processes as well as various measuring equipments which they have learned in theory.
