Aiming to simplify the complicated procedure of CO-PO mapping and its attainment Prof. D. V. Patil started the session with the particular example of one course.

Objective of the workshop is to aware the faculty members about mapping and attainment procedure in a simplified way.

He extended very detail session over the certain key factors of CO-PO mapping. He explained the same by taking one course syllabus in front of us. He also elaborated over the journal paper of mapping and attainment taking a detail review on it. Method of preparation of mapping matrix using syllabus of the course nicely explained by him.

Prof. D. V. Patil described the attainment procedure using excel tool and mentioned all the parameters of dependency in the attainment exercise.

Dr. S.N. Jain, Principal of the institute felicitated him on this occasion and Dr. G.C. Koli, Dean IQAC made a vote of thank.

As an outcome of this workshop all faculty members really understood the simplified approach to do Course outcome mapping and its attainment using average method.

Report of
Workshop on "Articulating Course outcome"
Organized by IQAC

IQAC, Sanjeevan Engineering & Technology Institute, Panhala has organized a workshop on "Articulating Course Outcome" on 10th Feb., 2024.

Objective of the workshop was to enhance the course outcome preparation procedure to all the faculty members of the institute. IQAC has planned the same as a quality initiative to guide the faculty members towards the accurate CO formulation.

Resource person for the Workshop was Prof. E.P. Salokhe, Dean Academics, Sanjeevan Engineering & Technology Institute, Panhala. The workshop conducted at Mechanical smart classroom No. 208. Dr. S.N. Jain, Principal felicitated Prof. E.P. Salokhe on this occasion by offering him a sapling.

Prof. E.P. Salokhe first introduced the basic about Outcome Based Education and then he turned towards the core subject of Articulation of CO's. He continued to explain about all Bloom's Level and its importance in the preparation of CO's and question paper. He clearly told about the performance indicators and competencies. He continued to tell that preparation CO's depends upon three basics as syllabus, teaching learning process and assessment tool. At the end he converted the session to interactive way by asking some true and false type Questions to faculty members. Faculty members participated well and Resource person cleared all the queries from audience at the last.

Vote of Thanks offered by Dr. G. C. Koli and declared the end of the workshop. Online Feedback link was given to the audience by Prof. S.A. Babar.

Organized by IQAC

IQAC, Sanjeevan Engineering & Technology Institute, Panhala has organized an expert talk **"Quality Improvement Indicators for Engineering Institute"** on **27/01/2024, 12.30pm**.

Objective of the talk was to create quality awareness among the faculty members of the institute over the different improvement indicators and its necessity in Teaching Learning Process.

Resource Person for the session was Dr. Sanjay N. Talbar, Professor, Pimpri Chinchwad College of Engineering, Pune.

Dr. S.N. Jain, Principal of the institute felicitated Dr. Sanjay Talbar by offering him a symbol of green culture a sapling. Dr. S. G. Sapate had given brief introduction about Dr. Sanjay Talbar at the start of the session.

Further the talk initiated in a unique way by Dr. Sanjay Talbar sharing own experience about quality culture development. He continued the talk with a firm statement about Teacher Excellency with sound technical knowledge and expertise. He advised the Teacher about the dedication towards the developments of students through knowledge, skill and attitude.

He again said to improve the involvement of the teachers in the field of research with industry connection for the development of product, solutions, patenting, copyrights and research articles of higher quality. He also concentrated the attention of teachers to improve their understanding about latest technology and trends.

Faculty members really benefitted in terms of major quality indicators of the engineering institute and interactively attended the session.

Report of
Workshop on **"Registration Procedure of MHT- CET 2024"**
Organized by IQAC

IQAC, Sanjeevan Engineering & Technology Institute, Panhala has organized a workshop on "Registration Procedure of MHT- CET 2024" on 10th Feb., 2024, 2 pm.

Objective of the workshop was to guide teaching and non-teaching staff members about the new Registration Procedure of MHT- CET 2024.

Resource person for the Workshop was Prof. N.S. Jadhav, Admission Co-incharge, Sanjeevan Engineering & Technology Institute, Panhala. The workshop conducted at Mechanical smart classroom No. 208.

Prof. N.S. Jadhav started the workshop in a different entertaining way by making humour as he was the aspiring student for MHT-CET application. He really filled his own details as a student and shown the clear online procedure by login in to the portal of MHT-CET. He shared his own experiences about the filling of the registration forms in a very comic way.

He described point wise complete registration procedure in terms of personal information, education information, caste information and payment methodology etc.

The non-teaching staff asked number of queries during his session and he cleared the same.

Vote of Thanks offered by Dr. G. C. Koli and declared the end of the workshop. Online Feedback link was given to the audience by Prof. S.A. Babar.
