Event Details:

- **Objectives of the event:**

Projects are done as a part of engineering curriculum. It is a platform where engineers can showcase their talent by doing innovative projects that strengthen their profile and increases the chance of employability.

Keeping this in mind Department of Basic Sciences and Humanities, SETI, Panhala has launched "Project Based Learning Competition-2020" which provides an excellent platform for the Engineering aspirants to build cool projects as a team at their own pace and time, which can be done as a mini project-a part of their curriculum. "Project Based Learning Competition-2020" helps a student to understand theoretical concepts and apply them practically by building projects. With this learning, all the students will not just be able to complete their project but also be able to answer all their viva questions/ interview questions with confidence. This will help them to improve their teamwork in addition to helping them split the cost of the project and make it more affordable.

- **Rules for competition:**

- 1) Make your own group of 4 students as per your convenience and one should be the group leader.
- 2) Rs. 100 will be a registration fee per student in the group (Rs. 400/- per group).
