DEPARTMENT OF CIVIL ENGINEERING

Alumni Meet 2023

Report

Date: 17/08/2023

Location: SETI, Panhala. Department of Civil engineering (Drawing Hall).

Introduction:

The Department of Civil engineering SETI, Panhala organized the Alumni Meet [2023]

That meeting brought together former students from various batches to reconnect, share experiences, and strengthen the bonds of the alumni community. The event provided a platform for networking, reminiscing, and discussing future collaborations.

- 1. Welcome:** The event commenced with a warm welcome to the alumni,
- 2. Guest Speaker Session:** An engaging guest speaker session was organized, Prof.E.P.Salokhe and Prof.J.S.Mevekari shared insights and experiences from their view.
- 3. Networking Activities:** Interactive networking activities provided alumni with the opportunity to reconnect with old friends, make new connections, and explore potential collaborations.
- 4. Alumni Achievements:** The meet celebrated the achievements of notable alumni, highlighting their contributions to various fields and acknowledging their impact.
- 5. Future Initiatives:** Alumni were briefed on upcoming projects and initiatives that would involve their active participation, ensuring an ongoing connection with the alma mater.
- 6. Feedback Session:** Attendees were encouraged to provide feedback on the event, helping organizers gather insights for future improvements.

The Department of civil engineering Alumni Meet [2023] successfully fostered a sense of camaraderie among alumni, showcased their achievements, and set the stage for continued engagement. The event reaffirmed the strong bond between the alma mater and its graduates, paving the way for collaborative endeavors in the future.
