RESEARCH PROMOTION POLICY

- . This document provides information on research policy and research promotional activities of Sanjeevan Group of Institutions.

PROLOGUE

Sanjeevan Group of Institutions is committed to the pursuit of excellence in research and aims to achieve international recognition through interdepartmental and inter-institutional collaborative research programmers across the spectrum of Science, Engineering and Technology namely, Mechanical Engineering, Civil engineering, Electrical Engineering, Computer Science and Engineering, General Sciences. SGI shall ensure that research in all fields that include multidisciplinary types grows exponentially, keeping the ethical norms and research standards intact.

OBJECTIVES

- To create an excellent research ambiance and infrastructure
- To publish papers in journals of international repute, file patents and transfer technologies to relevant industries
- To continuously monitor the research outputs for ensuring quality by appropriate committees
- To create quality human resources for scientific research
- To recognize both faculty and students on their research output by a research award
- To promote the globalization of research to achieve Global visibility
